

## Domlec Tariff Sheet

### **Electricity Rates – Effective September 1, 2007**

Customers of Electricity are hereby notified that there will be a decrease of 2.0 cents/kWh in the base tariffs currently in effect. The following rates shall apply to all bills issued on or after September 1st, 2007.

#### **DOMESTIC**

Domestic rate applies to all electricity supplied to premises used exclusively for private residential purposes in cases where the consumers concerned had not requested in writing to be charged at the Lighting rate as follows:

A charge of 57.8 cents per kilowatt-hour for up to 50 kilowatt-hours in any month and 67.0 cents per kilowatt-hour for each kilowatt-hour in excess of 50 kilowatt-hours in any month subject to a minimum monthly charge of \$2.50.

#### **COMMERCIAL**

Commercial rate applies to all electricity supplied to any premises not being used exclusively for private >residential purposes and not being premises to which the Industrial or Hotel rates are applicable in cases where the consumers concerned had not requested in writing to be charged at the Lighting rate as follows:

A service charge of \$4.32 per month per kVA of installed capacity plus 71.3cents per kilowatt-hour in any month subject to a minimum monthly charge of the service charge

#### **INDUSTRIAL**

Industrial rate applies to all electricity supplied otherwise than for electric lighting to any premises on which there are installed for the purpose of industry, electric machinery or equipment having an aggregate maximum power rating of not less than 5 kVA; as follows:

1. A service charge of \$4.32 per month per kVA of installed capacity
2. For electricity supplied between the hours of 6:00a.m to 10:00p.m at 63.3 cents per unit
3. For electricity supplied between the hours of 10:00p.m and 6:00a.m at 58.1 cents per unit;
4. provided that a consumer to qualify for the rate under (3) shall give the company not less than three months notice of his intention.

## **HOTEL**

Hotel rate applies to all electricity supplied to premises used as hotels and guest houses with a minimum number of ten (10) rooms as follows:

A service charge of \$4.32 per month per kVA of installed capacity plus 63.3 cents per unit subject to a minimum monthly charge of the service charge

## **LIGHTING**

Lighting rate applies to all electricity supplied solely for electric lighting purposes at 71.3 cents per unit subject to a minimum monthly charge of \$20.00

## **STREET LIGHTING**

Street Light rate applies to all electricity supplied for the purpose of lighting the streets and roads mainly at nights throughout the Commonwealth of Dominica.

Notwithstanding any other stipulation, the rate of electricity for street lighting shall be 71.0 cents per unit.

## **FUEL SURCHARGE**

In addition to the charges set out above, a fuel surcharge will be applied to each unit consumed at a rate to be calculated and published monthly.
